If more than one person is to be included under the prefix, please give the name, address and membership number of each, overleaf.

1. A prefix shall not be recognised unless registered with the ASRC Inc. or its Affiliated Club's. Individual members shall have the privilege of registering a prefix subject to the approval of the Council and no member except the person in whose name a prefix is registered shall be allowed to use it. A prefix shall consist of ONE WORD ONLY and no more than twenty four characters and shall not be in the name of a Town, Place or Famous Person.

Prefix nominations may be rejected if they are the same or similar to an existing approved prefix. Sameness or similarity may be in either the spelling or pronunciation of the prefix.

Registered trademarks or marks and names of an offensive meaning will not be accepted.

2. The right to hold and use a registered prefix shall terminate immediately upon the Association being satisfied that there is in existence, a properly registered trade mark of the same name or of a name likely to cause confusion with the one registered with the Association.
3. The Council shall have the power upon written application of a person holding a prefix to transfer the sole right to a person nominated by the holder, subject to payment by the nominee of a fee of \$15.00 to the Association.
4. The council reserves the right to cancel the licence for the use of a prefix at any time and should such action be taken, the member shall not be entitled to the repayment of any fees paid in respect thereof.
5. The right to hold and use a registered prefix shall terminate immediately upon the registered owner ceasing to be an accepted member of the Association.
